
Sustainability Module (Circle U.nited & CENTRAL)

The Humboldt University Circle U.nited CENTRAL summer school addressed sustainability, climate change and European transformation through academic inputs, workshops, site visits and collaborative group work.

- The call for speakers also allowed one CLP Alumni a speaker opportunity on climate finance.
- **Format:** 4 part Module / Online sessions + in-person week in Berlin / language: English (level: Master)
- Open to graduates and CLP alumni

More information about the Sustainability Module 2026
